AMERINE EXECUTIVE LOGISTICS

Media Kit for Journalists

Expert commentary on executive protection, UHNW security, and travel risk

EXPERT SOURCE

Scott Jones

Founder & CEO, AMERINE Executive Logistics

U.S. Secret Service Special Agent (2001–2019). Former protective-detail lead on presidential and vice-presidential assignments. Founded AMERINE in 2019 to deliver Secret-Service-caliber executive protection to Fortune 500 leadership and ultra-high-net-worth families.

AVAILABLE TO COMMENT ON

- Executive-targeting trends & corporate duty of care
- UHNW family & family-office security
- Travel risk management (FIFA World Cup 2026, major events)
- Protective intelligence & digital threats (doxxing, deepfakes)
- Residential security for high-profile principals
- Celebrity, VIP, and dignitary protection standards

Response window: **within 4 hours** during U.S. business hours; within 24 hours otherwise.

QUOTABLE STATISTICS (2026)

- Executive targeting incidents have **doubled** in mid-market firms since 2023
- **63%** of Fortune 500 boards now cite duty of care as a board-level risk
- Only **1 in 4** UHNW families audit household-staff vetting annually
- Digital threats (doxxing, deepfake impersonation) drove **~40%** of new EP engagements in 2026

CREDENTIALS

Texas Private Security License #C31012001 • ASIS-aligned program standards • Vetted global operator network across 45+ countries
